1. Associate Deputy Director for Management & Services 7D26 HQS			2-3 JAN 1974 <i>SS</i>	Jack,	a. I think as a matter of interest you should be aware of the current status of OJCS efforts on behalf of VIP especially in the light of current pressures for making VIP self-supporting.
2. <i>D/Pers</i>					b. My concurrence on the attached authorizes OJCS to complete development and implementation of Phase I at an estimated additional cost of \$3,400. OJCS will give further attention on completion of Phase I to the merits of the Phase II proposal. In view of the estimated \$40,000 cost of Phase II proposal we would expect that a careful analysis of pay-off expected to result from the additional effort should be made before an implementation decision is made.
3. <i>SESC Hqs</i>					c. Any plans for Phase III, at an estimated cost of \$20,000, should be cancelled without further adieu.
